**Prince of Peace Parish is on a journey
to know, love, and serve Christ.**

To help our parish grow and thrive as a community of missionary disciples, we're taking part in the Diocesan Disciple Maker Index (DMI) initiative.

This brief **10–15-minute** survey invites you to reflect on your faith journey and share how our parish can better support you. Your responses will guide parish leadership and help strengthen our mission.

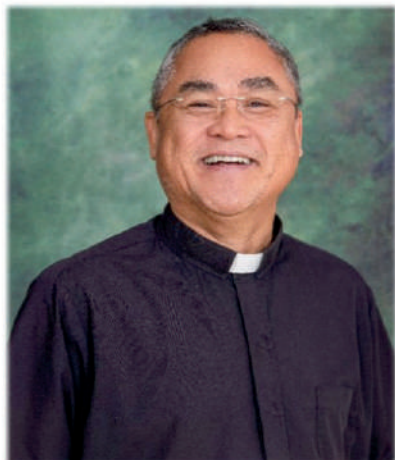

The survey will be available online **November 15–December 31**, with paper copies offered in the Narthex and Parish Office. All responses are confidential.

Thank you for your participation and prayers for the growth and protection of our parish.

Prince of Peace Parish 2025 Stewardship Report July 1, 2024 to June 30, 2025

Pastor's Welcome

To the Faithful Members of Our Parish,

As your new pastor, it has been a true blessing to witness the vibrant faith and devotion that fill our parish community here at Prince of Peace. Every day, I see the hand of God at work in our parish - in the way you pray, serve, give, and care for one another. I am deeply grateful for your faith and generosity, and I am honored to walk this journey with you.

This annual report is more than a collection of numbers and activities - it tells the story of who we are as a community of faith. Each page reflects your stewardship of God's gifts: the time you share in ministry, the talents you offer in service, and the treasure you give to support our parish mission. Through your faithfulness, we continue to build a strong and vibrant parish family centered on Christ.

Thank you for all the ways you contribute to making Prince of Peace a place where people encounter God's love and find hope and belonging. Let us continue to grow together in faith and discipleship, always trusting in the Lord who sustains and renews us.

May we strive each day to be safe, be happy, and be holy.

Gratefully in Christ,

Fr. Reynaldo Clutario
Pastor, Prince of Peace Parish

A Message from the Finance Council Chair, Dennis Dionne

We are grateful for the financial support that you have provided to the parish throughout the fiscal year. We have updated the parish each month with financial information through a report and notes in the weekly bulletin and now with a weekly report of collections and budget comparison so that each parishioner who takes a bulletin is informed about the financial situation of the parish. Our annual Stewardship Report looks at the annual total financial situation of the parish.

For the year ending June 30, 2025, our total income increased by 0.50% during the year. One reason for this change was that we changed our on-line giving processor from Faith Direct to Flocknote. The main reason for the change was our contract was due to expire in early March. When the change came, there was a drop off in online giving portion of our income. We are making every effort to bring that portion of our plate income back to previous levels and increase that opportunity for parishioners to sign up.

Our expenses also increased during the year but at a more substantial rate of 21%. Salaries and benefits and Utilities and Maintenance expenses increased by 5.5% and 22% respectively due in part because of insurance benefits increases. Other expenses for Hospitality, Administrative and Chancery Assessments decreased by 22% and 2% respectively. When removing Depreciation expense from the calculations to determine Income or (loss), we realize that Depreciation is a non-cash expense and comes from our Reserve study for maintaining the fixed assets of the parish. For fiscal 2025 we would show a positive net income, but lower than in fiscal 2024 by 15.1%.

We reduced our reserves to minimum levels to pay for capital improvements (listed on the following page) without additional borrowing indebtedness. Any future planned capital projects will require the parish to look at a future Capital Campaign.

We thank you for your generosity to support and maintain our parish.

Capital Improvements

The Prince of Peace Parish Buildings and Properties Committee is pleased with the improvements that were made to the Parish campus between July 1, 2024 and June 30, 2025. These improvements include:

- A new rectory property was purchased to house parish clergy and is currently under mortgage.
- An additional backflow valve was installed to improve the functionality and safety of the parish's fire suppression system in compliance with current safety standards.
- Although the south parking lot project was completed during the current fiscal year, the decision and planning for this renovation were approved in the previous fiscal year. The total cost of the project was \$355,557, which was funded through our Parish Reserve and funds returned to the parish from the Together Campaign.

St. Vincent de Paul News

The Gospel predicts end times; our challenge though is to live faithfully now. St. Vincent often asked this simple question: "What would Jesus Christ do if he were in my place now?" Ask yourself, "What would Jesus Christ do?" and then place your gift in the collection basket of our SVdP Prince of Peace Conference. Your gift will aid our neighbor's in need during Thanksgiving.
